Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

THE MIRACLE AT SPEEDY MOTORS: THE NO. 1 LADIES' DETECTIVE AGENCY

Anchor. 1 Paperback(s), 2008. soft. Book Condition: New. Under the endless skies of Botswana, there is always something Mma Precious Ramotswe can do to help someone, and in this ninth story of Alexander McCall Smith's cozy series (following *The Good Husband of Zebra Drive*), she finds herself assisting a woman looking for her family. The problem is that the woman doesn't know her real name or whether any of her family members are still alive. Meanwhile, Mma Makutsi is the recipient of a beautiful new bed that causes more than a few sleepless nights. And, at Tlokweng Road Speedy Motors, Mr. J.L.B. Matekoni has come under the influence of a doctor promising a miracle cure for his daughter's medical condition. The first book in the series, *The No. 1 Ladies' Detective Agency*, was voted one of the International Books of the Year and the Millennium by London's Times Literary Supplement, and inspired the HBO television series of the same name. The agency at first consists of one woman: the charismatic Mma Precious Ramotswe ("the Miss Marple of Botswana", according to the New York Times Book Review), who specializes in rooting out missing husbands and wayward daughters, con men and imposters. "Irresistible there will indeed be miracles." NYTBR "This ninth 'No. 1 Ladies Detective Agency' novel is one of the strongest entries in a consistently strong series. Like its predecessors, it is a gentle, warmhearted mix of loosely interwoven narrative threads that reaffirm Botswana detective Precious Ramotswe's philosophy of serving others." Library Journal "It is 10 years since McCall Smith began the series, in which Mma Ramotswe solves mysteries through common sense and kindness. None of them could be described as standard detective fiction: there are no bodies or post mortems and the closest thing to a car chase is a trolley chase through a...
