This definition of payroll is the same as that used by the IRS on form 941. First quarter payroll--This item consists of payroll, as defined above, paid to persons employed at any time during the quarter January to March 1987. Paid employees for pay period including March 12--Paid employees consist of the full-time and part-time employees, including salaried officers and executives of corporations, who were on the payroll in the pay period including March 12. Included are employees on paid sick leave, paid holidays, and paid vacations; not included are proprietors and partners of unincorporated businesses. The definition of paid employees is the same as that used on IRS form 941. Legal form of organization--The legal form of organization for firms in the mail universe was based on the response to the organizational status inquiry on the various census forms. The legal form of organization of nonmail firms was generally based on information available from the administrative records of other Federal agencies. This report presents data by the following legal forms of organization: 1. Corporations (including corporate cooperatives). 2. Individual proprietorships. 3. Partnerships. 4. Other types. Auxiliary establishments--Each company included in this census was asked to identify and report separately those auxiliary locations whose primary functions were to manage, administer, service, or support the activities of the other establishments of the company. Data presented in this report do not include auxiliary establishments. Data for auxiliaries which primarily service retail establishments are presented in a subsequent report issued as part of the...
