SCHLOSS II: MORE FASCINATING ROYAL HISTORY OF GERMAN CASTLES

Roseland Books, United Kingdom, 2015. Paperback. Book Condition: New. 215 x 139 mm. Language: English . Brand New Book ***** Print on Demand *****.Schloss II is the author s second book about the fascinating royal history of German castles. It visits 25 more beautiful castles and palaces in north and central Germany and tells more colourful stories of the royal families that built and lived in them. Royalty have always been the celebrities of their day, and these stories from history can rival anything in modern-day television soap operas. Schloss II has more than sixty illustrations and fifteen family trees. It is intended to be light-hearted and easy to read and should appeal to anyone who likes history or travelogues or is interested in people s personal stories. Schloss is the German word for castle or palace, and you are never far from one of these in Germany. These dukes and princes were passionate builders and left behind a rich legacy in the thousands of schlosser (the plural of schloss) that cover the German countryside. The schlosser in this book were built over many centuries and range in time from an eleventh century imperial palace, built to house the travelling court of an emperor who ruled from the back of a horse; to a schloss which only recently reopened after it was destroyed in World War II, and is now home to a shopping mall. The colourful stories in the book include the princess from a tiny German state who used her body and her brains to become the ruler of the vast Russian empire; the prince who tried to run away from his bullying father and...
