The world is divided between hostile superpowers--East and West. Kantak, about to graduate from college and join the Air Force, hears classmate Harvey Jamison describe a new material he discovered in his thesis research. Kantak recognizes that it is a material that can blind detection by radar, change the balance of world power. But Harvey's professor, no friend of America, also realizes the significance of the material. He discloses it to the East, and the students are suddenly thrown into a world of international intrigue. Can Kantak and Harvey survive professional assassins? And can the West survive undetectable enemy warplanes?.
