Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

A number of bare-footed boys and girls on their way to school give picturesqueness to the scene. The school has a post office with three mails daily from local trains which stop daily on signal, and the telephone brings the place in touch with surrounding country. I find that the intellectual, industrial and spiritual life of the school is receiving much emphasis. The religious life of the school is expressed through the Sunday-school, preaching services, Christian Endeavor and daily chapel exercises; while the community needs are reached through the Y. M. C.
