

Financial Globalization - The Impact on Trade, Policy, Labor and Capital Flows: A Compilation of Articles from "Finance and Development"

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

International Monetary Fund (IMF). Paperback. Book Condition: new. BRAND NEW, Financial Globalization - The Impact on Trade, Policy, Labor and Capital Flows: A Compilation of Articles from "Finance and Development", International Monetary Fund, The IMF's quarterly magazine "Finance & Development" has assiduously tracked the trends and consequences of globalization, and discussed the policy options and challenges faced by governments in an era when many national decisions transcend borders. This compilation of articles published over the past eight years examines the economic implications of, and responses to, globalization. As the title suggests, many of the articles focus on financial globalization, including the policy implications of the huge growth in cross-border capital flows, but other articles also look at the expansion of world trade, explore the impact of globalization on jobs, taxation, and the poor, and examine the digital divide between developed and some developing countries.
