Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Sea-Charm of Venice Altinum, Aquileia, and the other towns bordering on the lagoon, the Roman nobles, many of whom might be called merchant-princes, and their dependants fled to Torcello, to Rialto, and to other islands where, before the conqueror came, they had established depots for their trading, where the fishermen and boatmen were already in their pay. When the Goths followed the invading track of Attila, the emigration of the Roman inhabitants of the mainland to the lagoon continued year after year; and out of this emigrant flight grew Venice, the Queen of the Sea. England was Teutonic, Venice was Roman; and as in England the Teuton destroyed the influence of Rome, so the Teutonic invasion of Italy, with all its new elements, never touched Venice. The Gothic influence left her uninfluenced. She alone in Italy was pure Roman. The English race was mixed with the Celtic race, but the Teutonic elements prevailed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
