EXTENDING JQUERY

Manning Publications. Paperback. Book Condition: new. BRAND NEW, Extending JQuery, Keith B. Wood, jQuery makes it easy to build interactive websites and applications. As rich and powerful as it is, however, it can't do everything, so numerous extension points have been provided that allow additional functionality to be integrated into the normal jQuery processing. Extending jQuery shows how to build custom extensions to the jQuery library. It teaches how to write plugins by providing guidelines and techniques to make use...
