

Play It: The Alphabet Game

By Andie M Long

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. What's the Alphabet Game, Gabe? It's a little something I thought up once I'd seen how damn smoking hot you are. It's simple. We take it in turns to name a word following through the letters of the alphabet, but it has to relate to sex in some way. In April 2013 I released my first self-published novel, The Alphabet Game. The book is an erotic romance/suspense, with two storylines running. The cat and mouse game against their mutual enemies and the playing of the sexual alphabet. I love to hear from readers who have enjoyed the series and a couple of readers said they were going to play it now they'd read it. This got me thinking. What about if I actually put together a companion guide, a bedside table tome that you can play. So here it is. Enjoy!.
