Llewellyn Publications. Paperback. Book Condition: New. Paperback. 384 pages. Dimensions: 8.8in. x 6.0in. x 1.1in.Brought to Cuba as slaves, the Yoruba people of West Africa preserved their religions heritage by disguising their gods as Catholic saints and worshipping them in secret. The resulting religion is known as Santeria, a blend of primitive magic and Catholicism now practiced by an estimated five million Americans. Santeria: The Religion is an informative and insightful examination of an African religions survival in the New World. No one could write this book better than Migene Gonzalez-Wippler. Combining her informed study as an anthropologist and personal experience as a Santerian initiate results in a thrilling book that reveals some of Santerias most spellbinding elements: The orshas: the deities of Santeria. Who they are. What they represent. How they may be contacted. The santeros: the priests of Santeria. What they are like. What they do. Initiations into the priesthood. The diloggn: shells used in divination. How they are used. Methods to consult the gods with the shells. Ewe: the magic of Santeria. Includes herbal potions prepared as medicinal cures. Santeria: The Religion covers every aspect of this religion, including its rites and ceremonies. Some of these ceremonies may be considered bizarre or controversial--but, if you want to know the truth, get this book. Santeria: The Religion contains over 65 remarkable photographs that will take you right into Santeria traditions. Interviews with practitioners reveal aspects of the religion rarely disclosed to non-believers. The time has come to reveal the growing spiritual practice that continues to gain ground worldwide, and to remove the fear and distrust from people who do not understand. Here is the truth about the religion. Get Santeria: The Religion today. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
