

Manny the Mola

By Savannah Prince

Trafford Publishing, United States, 2012. Paperback. Book Condition: New. 211 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****. This is a storybook that gives ocean organisms, such as the mola mola, emotions and makes them more personable, so children can relate to them as individuals and therefore may become concerned about them and their ocean habitat. The book was written for a science education capstone project that educated young children, and thus future voters about the mola mola and its habitat. The book is for children in grades 2 through 4. The book was written in accordance with the California Life Science Standards for second through fourth grade. The book addresses the life cycle, adaptations, and food web interactions of a mola mola.
