

## My First Big Word Book

Filesize: 1.24 MB

### Reviews

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

Createspace, United States, 2014. Paperback. Book Condition: New. Marilyn Robinson Godfrey (illustrator). 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is a book of pictures of some of the first things a young child sees and recognizes. Use it to teach infants and toddlers. It will help them learn to say the names of the things when they see them in real life. Then as they begin to use crayons and pencils, they can see how to draw these simple shapes. I hand cut all of the pieces including the letters. I hope you and your young ones will enjoy. Oh yes the last page has a place for you to glue a special photograph.
