Stock Trading: The Definitive Beginner's Guide - Make Money Trading The Stock Market Like A Pro Discover the huge potential of trading stocks for profit with this short all-in-one comprehensive beginner's guide! In Stock Trading: The Definitive Beginner's Guide - Make Money Trading The Stock Market Like A Pro you will simply put, go through a crash course on stock trading. This book will teach you all you need to know before you begin trading stocks and although you won't become a superstar trader overnight, it will undoubtedly supercharge your learning curve, giving you a head start on the majority of rookie traders out there who start trading and fail, miserably! We will go through the basics of the Stock Market and you will learn 15 rules, that should you properly follow, can dramatically increase your success rate while trading stocks. If you are just starting out, it is only logical that you will make some mistakes. However, some mistakes are greater than others (and more costly as well), so we will go through 9 mistakes most rookie traders make and how you should go about it the RIGHT way. Stop-Loss and Stop-Limit Orders can be a great asset when used with caution, so we will discuss their various benefits and risks respectively. Furthermore, you will learn the basics of Fundamental Analysis, what it is and how it is properly performed. You will also be given a checklist that will help you identify profitable stocks when performing Fundamental Analysis. Fundamental Analysis is merely one side of the coin. The other side is known as Technical Analysis and although it can get...
