Would you know how to make an Advent wreath? When is Candlemas? Who was the original St Nicholas? Why do we eat Hot Cross Buns? These and many other questions are all answered in A Year Book of Seasons and Celebrations - a guidebook to the traditional Christian year, which is also a cookery book, a mine of interesting information, and a source of amusement, inspiration, and faith. Living the calendar, celebrating its feasts, enjoying the ways in which they mesh with the natural seasons of the year, gives a new appreciation of the gift of life itself and our relationship both with the natural world and with the customs and culture that we have inherited. At a time when many old and valued traditions are in danger of being neglected, and when families are seeking ways of giving real meaning to celebrations such as Christmas and Easter, this is a practical handbook which provides both the background and the practical information for enjoying the seasons of the year. Written to celebrate our Christian heritage, it can be enjoyed by everyone. Joanna Bogle is a Catholic writer, broadcaster, and journalist. She is the author of several historical biographies, and also, under her pen-name Julia Blythe , a children s book.
