Following the enormous popularity of their bestselling *The Carrot Principle*, Adrian Gostick and Chester Elton return with a groundbreaking guide to building high-performance teams. The powerful research reported in *The Orange Revolution* reveals that the true driver of exceptional success for great companies is not a genius CEO. Yet the research also shows that less than twenty percent of teams are working anywhere near their optimal capacity. Based on their extraordinary experience working with leading companies, including Zappos. com, Pepsi Bottling Group, and Madison Square Garden, as well as on a never-before-published 350, 000-person study by the Best Companies Group which issues the Best Places to Work list, Gostick and Elton reveal the five vital characteristics of these great teams and provide a powerful step-by-step prescription for building them.
