READERS: I am incredibly pleased my book has sold well and made it into the curricula of some top tier universities. Notwithstanding, I WOULD GREATLY APPRECIATE YOUR FEEDBACK ON AMAZON. In an effort to provide more bang for your buck, I've started a blog (WallStreetJobPrimer.com) where I will answer any questions you have directly. Alternatively, you can email me directly (address is at the end of the Preface section on page XI, Thank you! Overview (more complete description below) Industry overview in layman terms Investment banks, money managers, hedge funds and the jobs within Chapter 5 dedicated exclusively to quantitative roles in the industry Strategies and insights for landing jobs and maximizing success (including compensation!) I wrote this book to help those who aspire to or already work in the financial services industry. While my original intention was to help out aspiring quants (like myself a bit over 10 years ago), I have geared most all of the topics so that they will be helpful to anyone that is relatively new to the financial sector. Indeed, the content is...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
