ZENKIMCHI SEOUL RESTAURANT EXPAT GUIDE 2015

[DOWNLOAD PDF](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a reason there aren't many restaurant guides for Seoul. To paraphrase a famous hitchhiker's guide, Seoul is big. Really big. You just won't believe how vastly hugely mindbogglingly big it is. It is impossible for one person with one stomach and a limited budget to cover this vast city. This is also a volatile restaurant market. Seoul has one of the highest restaurants per capita in the world. Competition is deadly. By the time a restaurant guide goes to print, some restaurants are gone. A year after publication, and over thirty percent are gone. This guide remedies that. As an e-book, The Seoul Restaurant Expat Guide 2015 is regularly updated all through early 2016, when the new edition will be released. No more outdated restaurant info. You have the latest and greatest restaurants on your Kindle. Why an expat guide? This book comes from a source of frustration. For a city of its size, Seoul is surprisingly skimpy on international restaurants. That is quickly changing. With more Koreans traveling and living overseas and with more visitors coming to and living in Korea, there is a higher demand for better quality, more authentic international restaurants. Too many times bad restaurants get featured in government travel brochures, Korean TV, and from recommendations from Korean acquaintances trying to impress. Yet that's the trouble. They are so eager to impress that they don't think about what international diners actually want. They recommend famous restaurants that are famous for only being famous, though their food is bland. They recommend high end restaurants that impress more with the high price than with the quality of the meal....
