General Accounting Office, 2004 OCLC Number: (OCoLC)54829576 Subject: Information technology -- United States. Excerpt: . . . 21 agencies. Concerning the third point, a number of agencies have recognized the usefulness of the ITIM framework and have used it to develop and enhance their investment management strategies. For example, one agency uses the framework to periodically review its IT investment management capabilities and has developed an action plan to move through the stages of maturity. In summary, our January 2004 report indicates that the federal government can significantly improve its IT strategic planning, performance measurement, and investment management. Such improvement would better ensure that agencies are being responsible stewards of the billions of dollars for IT with which they have been entrusted, by helping them to invest these monies wisely. This can be accomplished, in part, through the expeditious implementation of our recommendations and the adoption of best practices, which we have incorporated into our IT management frameworks and guides such as the ITIM. Mr. Chairman, this completes my prepared statement. I would be happy to respond to any questions that you or other Members of the Subcommittee may have at this time. 21 For example, see U. S.
