Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In Tune with the Infinite or Fullness of Peace, Power, and Plenty by Ralph Waldo Trine A Guide to a Better and More Peaceful World There is a divine sequence running throughout the universe. Within and above and below the human will incessantly work the Divine will. To come into harmony with it and thereby with all the higher laws and forces, to come then into league and to work in conjunction with them, in order that they can work in league and in conjunction with us, is to come into the chain of this wonderful sequence. This is the secret of all success. This is to come into the possession of unknown riches, into the realization of undreamed-of powers. There is a golden thread that runs through every religion in the world. There is a golden thread that runs through the lives and the teachings of all the prophets, seers, sages, and saviours in the world's history, through the lives of all men and women of truly great and lasting power. All that they have ever done or attained to has been done in full accordance with law. What one has done, all may do. This same golden thread must enter into the lives of all who today, in this busy work-a-day world of ours, would exchange impotence for power, weakness and suffering for abounding health and strength, pain and unrest for perfect peace, poverty of whatever nature for fullness and plenty.
